SPAIN

El Despeñadero

El Despeñadero is located in the region of La Mancha, Toledo, just over an hour from Madrid. Owned and run by Darío Vallano and his team, was one of the pioneers in install the red legged partridge driven shoot in Spain.

During open season, from September 15th to March 15th, El Despeñadero offers the most successful hunters in the world the opportunity to enjoy excellent partridge shooting.

Our commitment to you is quality partridges and the key to this lies within energy, passion and speed. To fulfill our promise, our team carefully controls the feeding and health of our partridges 365 days per year.

Variety, rhythm and and character are words that best describe our shoots. Designed and perfected with over 40 years of collective experience and the valuable feedback from some of the most experienced shooters in the world.

Itinerary

Day1

Arrive in Madrid.

Upon clearing customs guests will be met by a representative from El Despeñadero who will assist you with gun clearance if they are traveling with their own guns. Depart Madrid for the relative short journey to Toledo, the historic town. **Journey time 60 minutes.** Upon arrival they will be shown to the loge where the house staff will be waiting with some Spanish tapas, cold beer and best Spanish wines.

Day2

Arise and prepare for the first morning of Shooting in El Despeñadero. Breakfast will be held in the main dining room from 9:30-10:00am. Guests should be ready to depart to shooting at 10:30-11:00am. Their loaders and secretaries will have their guns and cartridges already in their vehicles; all they need is their personal effects such as their hearing protection and gloves.

During the day will take 4 drives with 3 breaks for the “taco” (elevenses) after the first, second and third drive where guests can enjoy of our exceptional gastronomy, some cold and heat meats, fish, Spanish omelettes and a big amount of “tapas”, all washed down best Rioja wines, etc. giving the guests time to relax and enjoy some banter and beverages.

The drives will start when all the guns are on their pegs.

Once the shooting has come to an end the guns retire to the house for lunch and enjoy food and beverages commenting the shooting.

Day3

The day three starts the same as day two (all with different drives).

At the end of the day after the last drive the guest will return to the house where they can pack up ready for they return journey to Madrid.

EL DESPEÑADERO SPAIN

“Tradition and Excellence”

“Our aim is always to surpass your expectations. At El Despeñadero we take your satisfaction very seriously and to achieve that we have a team over seventy people taking care of every single step of each shoot.

For us, every shoot is always the first shoot and our philosophy is simple: we love the well made things, the search of authenticity and passion for the small details.

We listen what you want and we match your desires, we think this is much more than shooting, is a full experience, and we work hard to ensure we create the perfect trip and unforgettable experience for you.”
